

Crematoria Price Information from 1st September 2021

We have access to all Crematoria across the conurbation. Unfortunately, Harbour View Crematorium, owned by Tapper Funeral Service, do not allow access to anyone, other than those using the services of Tapper Funeral Service.

The table below is an indication of the costs provided by both Poole Crematorium & Bournemouth Crematorium (East & West Chapel). The costs are based on the time the service is booked and the length of service. Included in the cost is the use of the Obitus music system, one stock image with the name of the deceased on the screen. For additional costs, including, livestreaming of the service, visual tributes, and recordings, please speak to your funeral director.
