Poem

Memories

Life can never stay the same
No matter how we try
Our hands can never stop
The clock of life from ticking by
But love remains, unchanging
In the care of sorrowing hearts
For as the love of life is stilled
The love of memory starts

Poem

She is Gone, read by Jenny

You can shed tears that she is gone,
or you can smile because she has lived.
You can close your eyes and pray that she will come back,
or you can open your eyes and see all that she has left.
Your heart can be empty because you can't see her,
or you can be full of the love that you shared.
You can turn your back on tomorrow and live yesterday,
or you can be happy for tomorrow because of yesterday.
You can remember her and only that she is gone,
or you can cherish her memory and let it live on.
