Welcome

Our lives go on without you
But nothing is the same,
We have to hide our heartache
When someone speaks your name.

Sad are the hearts that love you
Silent are the tears that fall,
Living here without you
Is the hardest part of all.

You did so many things for us
Your heart was kind and true,
And when we needed someone
We could always count on you.

The special years will not return
When we were all together,
But with the love within our hearts
You will walk with us forever.

Reflection Music

Through The Years - Kenny Rogers

Reading

Hand in hand we walked together
The sun warmed us from above
I remember each day I wake
The blessing of your love.

The Sunshine in my mornings
The birds that sings our song
In this life when I am sad
It's you that keeps me strong.

You're the mother of my children
And brought so much joy to my life
My truest friend was
You my darling loving wife.

Still I hear your voice from
A time so long ago
I see so many faces
But not the one I love and know.

I walk the same old streets
Hear your footsteps just the same
How I'd love to wake tomorrow
And walk with you again.

Just to look into your eyes
And talk about our day
It's those little things I miss
Since the day you went away.

I now pray to God in heaven to keep
You in his care
To comfort love and keep you safe
Until the day I meet you there.

The Farewell

Closing Words

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.

Now I am contented
That my life it was worthwhile,
Knowing as I passed along the way
I made somebody smile.

When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.

So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Each morning, noon and night.
