### FAREWELL

### COMMITTAL

### THE OCEANS BLESSING

*May your love always be as constant as the never-ending waves,  
flowing endlessly from the depths of the sea.  
Just as the waters touch and nourish the many shores of the earth,  
may your love be a moving sea between the shores of your souls.  
Just as there will never be a morning without the ocean's flow,  
there will never be a day without your love for each other.*
