

UNATTENDED DIRECT CREMATION

We offer Unattended Direct Cremation funeral packages that are a modern and cost-effective alternative to the traditional funeral. Unattended funerals are one of the least expensive types of funeral available. They require no family attendance and allow you to hold your own funeral service outside of the cremation or burial. This provides the flexibility of arranging a memorial with family and friends at a time that is right for you. As local funeral directors, we take pride in providing all our services to the highest of quality, no matter the price. Even without attendance, we will ensure we carry out your wishes to give your loved one the respectful funeral they deserve.
