READING

Death is nothing at all.

I have only slipped away to the next room.

I am I and you are you.

Whatever we were to each other, That, we still are.

Call me by my old familiar name.

Speak to me in the easy way which you always used.

Put no difference into your tone.

Wear no forced air of solemnity or sorrow.

Laugh as we always laughed at the little jokes we enjoyed together.

Play, smile, think of me. Pray for me.

Let my name be ever the household word that it always was.

Let it be spoken without effect.

Without the trace of a shadow on it.

Life means all that it ever meant.

It is the same that it ever was.

There is absolute unbroken continuity.

Why should I be out of mind because I am out of sight?

I am but waiting for you.

For an interval.

Somewhere. Very near.

Just around the corner.

All is well.

WORDS OF FAREWELL & COMMITTAL

RECESSIONAL MUSIC

Whole Lotta Shakin Going On ~ *by Jerry Lee Lewis*

REMEMBER ME

Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day by day
You tell me of our future that you planned:
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards, remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.
