

# TRADITIONAL FUNERAL PACKAGE

Our traditional funeral package is designed for those who wish to opt for a more conventional funeral service. The traditional funeral enables bereaved families to have full use of our premises. It includes the transfer of the person who has died from the place of death to our premises and complete care until the funeral. The funeral costs also cover professional fees, use of visitation rooms, cortege, including a limousine, via a local address and provision of four pallbearers to carry the coffin traditionally. This funeral package allows you to pay your respects in our Chapels of Rest. Upon appointment, this can be at any time, day, or night.
