Farewell, Dear Mum

Somewhere in my heart, beneath all my grief and pain
Is a smile I still wear at the sound of your dear name
The precious word is 'Mum', she was my world you see,
But now my heart is breaking 'cos she's not here with me.

God chose her for his angel to watch me from above,
To guide me and advise me and know that I'm still loved.
The day she had to leave me, when her life on earth was through,
God had better plans for her, for this, I surely knew.

When I think of her kind heart and all those loving years,
My memories surround me and I can't hold back the tears.
She truly was my best friend, someone I could confide in
She always had a tender touch and a warm and gentle grin.

I want to thank you Mum for teaching me so well
And though the time has come that I must bid you this farewell,
I'll remember all you've taught me and make you proud, you'll see
Thank you, my dear Mum, for all the love you showed me.
Although you've left this earth and now you've taken flight
I know that you are here with me each morning, noon and night.

The Lord's Prayer

Our Father, who art in Heaven
Hallowed be thy name.
Thy Kingdom come, thy will be done
On earth, as it is in Heaven.
Give us this day our daily bread.
And forgive us our trespasses
As we forgive those who trespass against us.
And lead us not into temptation,
But deliver us from evil.
For thine is the kingdom, the power and the glory,
For ever and ever, Amen.

Farewell and Committal

Music: 'Clair de Lune' ~ Claude Debussy

Reading

Feel no guilt in laughter, she'd know how much you care.
Feel no sorrow in a smile that she's not here to share.
You cannot grieve forever; she would not want you to.
She'd hope that you could carry on the way you always do.
So, talk about the good times and the way you showed you cared,
The days you spent together, all the happiness you shared.
Let memories surround you, a word someone may say
Will suddenly recapture a time, an hour or a day,
That brings her back as clearly as though she were still here,
And fills you with the feeling that she is always near.
For if you keep those moments, you will never be apart
And she will live forever locked safely within your heart.
