

SIMPLE FUNERAL PACKAGE

Our 'Simple' funeral package offers essential elements for a respectable funeral service without unnecessary frills. Recognising that not everyone desires an elaborate or conventional funeral, we aim to provide a package that fulfills the fundamentals while maintaining quality. This option is suitable for both burial and cremation, and the family can help carry the coffin since only two pallbearers are included. However, additional pallbearers can be added to the funeral expenses if desired. Please be aware that a minimum of four pallbearers will be provided for a burial.
