**Poem**  
**All is Well**

Death is nothing at all,  
I have only slipped into the next room  
I am I and you are you  
Whatever we were to each other, that we are still.  
Call me by my old familiar name,  
Speak to me in the easy way which you always used  
Put no difference in your tone,  
Wear no forced air of solemnity or sorrow  
Laugh as we always laughed at the little jokes we enjoyed together.  
Play, smile, think of me, pray for me.  
Let my name be ever the household word that it always was,  
Let it be spoken without effect, without the trace of shadow on it.  
Life means all that it ever meant.  
It is the same as it ever was, there is unbroken continuity.  
Why should I be out of mind because I am out of sight?  
I am waiting for you, for an interval, somewhere very near,  
Just around the corner.  
All is well.
