Reading

She Is Gone By David Harkin

You can shed tears that she is gone
Or you can smile because she has lived
You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left
Your heart can be empty because you can't see her
Or you can be full of the love you shared
You can turn your back on tomorrow and live in the past
Or you can be happy for tomorrow because of yesterday
You can remember her and only that she is gone
Or you can cherish her memory and let it live on,
You can cry and close your mind, be empty and turn your back
Or you can do what she would want:
smile, open your eyes, love your life and go on.

Afterglow

I'd like the memory of me to be a happy one
I'd leave an after glow of smiles when life is done.
I'd like to leave an echo, whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve to dry before the sun
Of happy memories that I leave when life is done.
