When Tomorrow Starts Without Me

by David Romano

Read by Adam Willsher

When tomorrow starts without me,  
but im not there to see

If the sun should rise and find your  
eyes, all filled with tears for me

I wish so much you wouldn't cry,  
though I know your heart aches so

But remember it was for the best,  
it was my time to go

I know how much you love me,  
as much as I love you

And each time you're thinking of me,

I know you'll miss me too

When tomorrow starts without me,  
don't think we're far apart

For every time you think of me,  
I'm right here in your heart
