

# Simple Funeral Package

This 'Simple' funeral package includes the simple essentials required for a dignified funeral service. We acknowledge that not everyone wants a big or traditional funeral. Therefore, we wanted to provide a funeral package that still covers the necessities without compromising on quality. The Simple Funeral option can be used for both Burial or Cremation. Only two pallbearers are provided in this plan so that family can assist with carrying the coffin. Should you wish to, you can choose to have additional pallbearers added to the funeral cost. Please note, for a burial, we will provide four pallbearers.
