

Optional Extras Price List

The Attended Funeral package offers essential products and services to ensure a respectful funeral ceremony. The Optional Extras Price List provides information on the costs of additional products and services not included in the Attended Funeral package. However, it's worth noting that some of these extras may already be included in our other comprehensive Funeral Packages. If you're interested in exploring our full range of coffin options, we recommend discussing this with your funeral director. Also, we encourage you to consider our other Funeral Packages as they may offer better value.

It's possible that certain Optional Extras are already part of our other Funeral Packages.
