Closing and Farewell

Thank you, Graham, for being part of our lives. We are so much better off for having known you and knowing how much you loved each and every one of us.

Please remember that Graham is not a man who 'was' loved but will always be a man who 'is' loved.

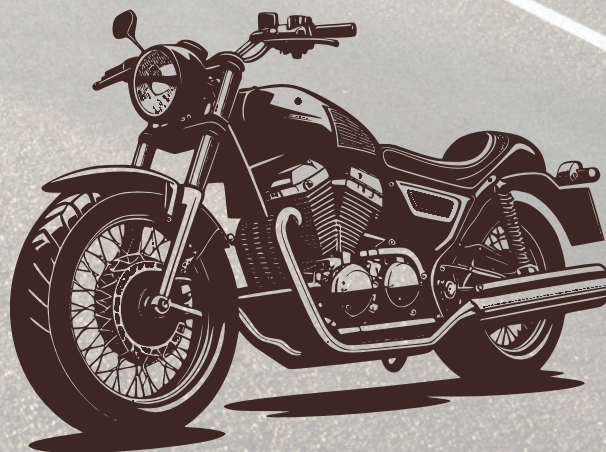

We now change our thoughts of him from being a physical presence, to memories and wonderful times.

Graham, as you leave us today, you go with our love, our blessing, and our eternal gratitude, for all you were and always will be to so many people. You have positively affected so many people's lives in ways you cannot imagine.

Blessing
