Welcome and Opening Prayer

Reverend Richard White

Hymn

Amazing grace! How sweet the sound
that saved a wretch like me.

I once was lost, but now I'm found;
was blind but now I see.

'Twas grace that taught my heart to fear,
and grace my fears relieved.

How precious did that grace appear
the hour I first believed.

Through many dangers, toils and snares
I have already come.

'Tis grace hath brought me safe thus far,
and grace will lead me home.

When we've been there ten thousand years,
bright shining as the sun,
we've no less days to sing God's praise
than when we first begun.

Mike's Eulogy

Hymn

And did those feet in ancient time
walk upon England's mountains green?

And was the holy Lamb of God
on England's pleasant pastures seen?

And did the countenance divine
shine forth upon our clouded hills?

And was Jerusalem builded here
among those dark satanic mills?

Bring me my bow of burning gold!

Bring me my arrows of desire!

Bring me my spear! O clouds, unfold!

Bring me my chariot of fire!

I will not cease from mental fight,
nor shall my sword sleep in my hand,

till we have built Jerusalem
in England's green and pleasant land.

How Great Thou Art

Prayers

The Lord's Prayer

Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done; on earth as it is in heaven.

Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil. For thine is the kingdom, the power and the glory, for ever and ever. Amen

Hymn

*All things bright and beautiful,
all creatures great and small,
all things wise and wonderful,
the Lord God made them all.*

Each little flower that opens,
each little bird that sings,
he made their glowing colours,
he made their tiny wings:

Refrain

The purple-headed mountain,
the river running by,
the sunset, and the morning
that brightens up the sky:

Refrain

He gave us eyes to see them,
and lips that we might tell
how great is God almighty,
who has made all things well:
