

Unattended Direct Cremation

PRICES FROM £1,810

(Third-party costs and optional extras are not included within this price)

Our Unattended Direct Cremation package is designed for those seeking a simple and dignified alternative to a traditional funeral service. This package does not include a ceremony or attendance at the cremation and allows families the flexibility to hold a personal memorial or celebration of life separately at a later date, if desired. Throughout the arrangements, we remain committed to providing respectful and dignified care for the person who has died. Please note that payment for the Unattended Direct Cremation package is required before the funeral takes place.

Before making your decision, you may also wish to consider our Douch Exclusive package, which offers an intimate service within one of our Ceremony Rooms, providing family and friends with the opportunity to gather, reflect and pay their respects together before the committal takes place.
